I am Clémence Prosen, a French-born Irish artist. The soothing landscapes and rich cultural heritage of my adopted home deeply inspire me.

My journey art and designs began as a way to capture moments of calm and reflection, drawing from nature and life's simple pleasures.

Over the years, I've developed a diverse range of creative expressions, from fine art to mindful products, with each piece crafted to evoke a sense of peace and connection.

My work blends my passion for painting, my love for Irish culture, nature, and a commitment to mindfulness, creating art that resonates on a personal level while offering something meaningful and beautiful for others to enjoy.

My creativity meets thoughtful design across four distinctive brands, each inspired by a deep connection to art, nature, and mindful living.

Each brand is a reflection of my passion for art and design, and I'm excited to share these carefully crafted products with you. I hope they bring joy, inspiration, and a touch of beauty to your customers' lives.

Any issues, incorrectly shipped products, returns, or exchanges must be reported within 7 days of receipt. Returns or exchanges must be postmarked within 7 days of reporting. The retailer is responsible for any shipping cost for returns. All products must be in their original packaging, unused and unopened.

## *Wholesale & Retail Pricing*
